Dear Jackie  
 To a new life  
 good luck on graduating  
 Love, Audrey

We, the Senior Class of 1951 dedicate our  
Pai to our wonderful principal, Mr. Harry  
Russell. Thank you, Mr. Russell, for remembering  
each one of our birthdays, for being  
patient but firm with us when we acted  
"seniorish" and felt like having an impromptu  
rally, and for making Tam's last year together  
one we'll not forget because it holds so many  
pleasant memories.

We appreciate all this and will remember  
you and Tam's BIG year even after we've  
forgotten some things we learned from books.

BRUCE  
MURPHY

Mr. Russell  
Principal

## *Principal's Message*

This has been a momentous year in the history of our nation and community, and in the life of our school. The Korean crisis, the call to colors, controversial political and economic issues, inflation, etc., have all shaken us out of our lethargy. Another significant factor in our student-body life this past year has been the realization that this is the last year all the students in our district will be together.

Last September, I expressed the hope that this would be "Tamalpais' Big Year!" You have responded to the fullest. I am deeply grateful for your loyalty and fine spirit.

As we look forward to our new school, Sir Francis Drake, may each share to the fullest this new enthusiasm and high spirit in making both Tam and Drake the two best schools in the state.

As we look to the future, a few may say that we are now living in the worst of times. May I point out that this is the best of times as far as opportunity is concerned. Man must work together for universal peace. Each one of us must see that there is economic prosperity for all.

This is a goal within our vision and lifetime. May we continually work together to this end.

# Thanks For The Memories

Well, classmates (freshmen, sophomores and juniors), faculty and all our many friends around Tam, the time has finally come for us to bid you farewell. Our four years here with you have been full of fun and learning. Each year here was completely different from the one that was to follow in its footsteps and each held many smiles and tears for us all. Without you pulling for us through our errors and achievements, we would not have been able to gain as much as we have. Thanks for helping us build the memories we now treasure.

Thanks for our freshman year when we entered as timid "scrubs" shaking in our shoes and standing in awe of the "much-to-be-admired" seniors. All the gals developed mad crushes on Steve Harper, Bo Ransch and Sherm Hall. We learned to sing "Tamalpais," found out that the "Pai" was not something to eat, searched every week in vain for our names in the "News," and tried to act like sophomores. Then our "greenie" days ended and we WERE sophomores.

Thanks for our sophomore year when we began to feel at home and regarded the frosh (that's you, juniors) with contempt. After all, weren't we sophs now! The new stop lights were put in that

year and we were upperclassmen at last. The new stop lights were put in that year and we were upperclassmen at last. The new stop lights were put in that year and we were upperclassmen at last.

Thanks for our junior year when we were busy with all our activities. We gave the Junior Prom, enjoyed "The Man Who Came to Dinner," tinkered and fussed over our pesky new lockers, found our names in the "News," and tried to act like seniors. Then our "greenie" days ended and we WERE seniors. The new stop lights were put in that year and we were upperclassmen at last.

Thanks for our best-of-all year, our Senior year. This year we gave "You Can't Take It With You" and "Out of the Frying Pan" as our two senior plays, worked hard to make Tam's last year together a really "Big" one.

Thanks for all these sparkling memories. We'll miss all of you: the "News," "Pai," senior plays, Mead Theater and last but not least, all of our fellow seniors whom we'll probably not see much of in the future.

Thank you, Tam, for your velvety lawns, your blooming flower beds, your halls crowded with people and laughter, your tall trees, your rooms where we have learned lessons in fellowship as well as "book learning." For all these little things that we'll remember, we say to all of you—Thanks for the memories!

As we the class of 1951 read anxiously the last chapter of our book of Tam we stop to turn back the pages of memory to look once again at the names of those who left us before the day of graduation.

To those who are not with us because the story of their lives carried them elsewhere to other friends to go to the afterlife, we send our warmest greetings and a promise that for you or somebody else, we will look one extra time at Tam's glorious flowers, wander to your favorite rooms, march for you a little straighter to the strains of "Pomp and Circumstance," and carry the good memories of our assembly days with us.

To those who left us, like Glen Cramer, for immortality, we can say only, your graduation day came early. No human being knows upon what day he will leave earth for heaven, but beautiful as our earth can be, we know you have found complete fulfillment.

So to all our classmates of the past, hail and farewell!

## Jaunty Juniors

The Jaunty Juniors, organized in the year 1914, are the first of their kind in the school. They are a group of young men who are interested in the school and its activities. In April, under the direction of President John Hendricks, the juniors gave a concert at the school. The year 1914-15 was a successful one for the group. They have many plans for the future and will be glad to see the school in the future. They are the first of their kind in the school and are the first of their kind in the school.

## Girls' Association

The Girls' Association started the year under the able leadership of Prexy Pat Ferguson. With the help of officers and crew, Pat put on the Mother's Tea and the Freshman Reception.

A discovery of new talent was made when three freshmen girls from Corte Madera sang on the program. Since then, demands for repeat performances at student bodies, rallies, and dances have made them a popular trio.

Jeanne Kessey served as president for the spring semester. The big event of Jeanne's term was the annual Girls' Dance. "April in Paris" was the theme for this year.

And a huge success it was when all the girls turned out in their best attire, and forced the boys to wear corsages. The gym was garlanded with spring blossoms for the affair. The super decorations were complete with numerous Parisian lady illustrations, outdoor cafe tables, the Eiffel Tower, and lampposts bearing the names of most of the couples at the dance.

Other officers were: (the fall term,) Vice President—Tosca Giorgi, Secretary—Treasurer—Margaret Toore, and Yell Leader—Audrey Roth.

Officers for the spring term: Vice President—Ina Flemming, Secretary—Treasurer—Ruth Meulenkamp, and Yell Leader—Delia Meulenkamp.

FEDERAL BUREAU OF INVESTIGATION  
Washington, D. C.  
JAN 10 1964

[illegible]

1. The first part of the document discusses the importance of maintaining accurate records of all transactions, particularly those involving cash payments. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part outlines the procedures for handling customer complaints and inquiries. It stresses the importance of prompt response and effective communication to ensure customer satisfaction.

3. The third section details the internal control measures implemented to prevent fraud and misappropriation of assets. It highlights the role of segregation of duties and regular audits in safeguarding the organization's resources.

4. The fourth part addresses the issue of employee training and development. It suggests that ongoing education and skill enhancement are crucial for maintaining a competitive edge in the market.

5. Finally, the fifth section concludes by summarizing the key findings and recommendations. It reiterates the commitment to excellence and continuous improvement across all areas of the business.

 Tito Petri, committee head, was absent when picture was taken.

## *Awards Committee*

The Awards Committee, formed this year by the new constitution, did its part to make this Tam's big year. Under the direction of chairmen Tito Petri in the fall and Tom O'Connell in the spring, the Awards Committee got off to a very satisfactory start as they had no precedents to follow.

The main task of the Awards Committee is to approve the list of block winners in sports which is submitted by the coaches. If the Awards Committee passes this list, it is sent to the Student Congress and Executive Committee where final action is taken.

In conjunction to this job, is the filling out of the certificates which are presented with the blocks.

Closely related to the awarding of blocks is the issuing of small felt emblems to the members of Tam's Cross-country Track team. The Awards Committee was instrumental in having the presentation of these emblems passed by Student Congress.

In addition to the above duties, the committee took care of all trophies and pennants. The outstanding senior of the June graduating class is selected by this committee, with the help of members of the faculty according to a criterion which has been set.

For its first year in existence, the Awards Committee has really had a remarkable start.

The following table shows the results of the regression analysis for the dependent variable  $\ln Y_{it}$ . The table is divided into two main sections: the top section shows the results for the full sample, and the bottom section shows the results for the subsample of firms that are not in the top 100. The columns represent the different variables included in the regression model. The rows represent the different years from 1990 to 1999. The first row in each section shows the results for the full sample, and the subsequent rows show the results for the subsample of firms that are not in the top 100. The coefficients are reported in the first column, and the t-statistics are reported in the second column. The third column shows the adjusted R-squared value.

Variable	Full Sample	Subsample (Not in Top 100)
Constant	1.123 (1.123)	1.123 (1.123)
$\ln K_{it}$	0.345 (0.345)	0.345 (0.345)
$\ln L_{it}$	0.678 (0.678)	0.678 (0.678)
$\ln M_{it}$	0.123 (0.123)	0.123 (0.123)

## Varsity Grid Season

Bill Hillebrand

A very fickle, hot and cold varsity eleven had their mediocre 1950 campaign cut down by Jupiter Pluvius as he dropped the curtain before the Red and Blue gridgers had a chance to battle the Anady Tigers for an undisputed third place in N.B.L. standings. In league competition the Indians scored 131 points to its opponents 60 but Petaluma, Napa and Vallejo nipped them by a total of 13 points.

with ease, 33-15. Jim Eitze's 95-yard sprint for 6 points set the Redmen on fire in the second period, and from this point on the Tam team was never headed.

Santa Rosa was the next victim, falling before the Indians 39-8, and Tam had thrown in their bid for the N.B.L. crown. Terrific line play stopped the

Eitze and Billy Hillebrand each scored in the first stanza on 10 and 16-yard jaunts. In the second period the Panthers breathed hot and heavy on the under the power of the huge Mill Valley line. A pass from Hillebrand to Shurtz, a 62-yard scoot by Hillebrand, a scooped up fumble run back by Commins into the end zone, and a 2-yard dive into paydirt by Maddox accounted for the rest of Tam's glory for the evening.

The Petaluma Eqamen scrambled Tam to the tune of 13-6 as 4,000 fans saw a one man show by the name of Bill Schleth. The Trojans scored two

quick ones in the first quarter and then concentrated on stopping the ball. Toted Tam's ground attack. There was one member of the Indian starting lineup missing from this game teamwork

The Redmen bounced back the next week to rout San Rafael, 53-0, and set a Big Game scoring record. The whole Tam studentbody wanted the Bulldog hide as spirit rode high all through the week. The hapless Millermen didn't stand a chance as the Tam backs scored at will Eitze

A champion bound Vallejo outfit dumped Tam in a close, 18-14. The star- the foreigners were almost knocked from their pedestal

A date to play Analy proved to be a two-time loser so the game was cancelled.

## Rambler Football

Joel Cooper

Coached for the first time by Mr. John Wilbert, the Rambler team finished the year with a respectable 2-2 record. Co-captains of the team were Joel and Jerrel Cooper. In the first game of the season the Ramblers beat the snarling Wolves 14-7. In that game they scored the Indians while reliable Jim De Witt through with a 47-yard romp for the last one.

Against Petaluma the Ramblers didn't fare quite so well, and had to settle for a 21-0 whacking. The Egg-

men's size and playing know-how was just too much for the little warriors.

In the traditional San Rafael game the Ramblers made pigs of themselves as they ate Bulldog stew to the tune of 30-0. Roy Albertini started the score rolling in the first quarter when he scored on a fifteen yard sweep around left end. Following Ray's TD, Jim De Witt scored the first of his three six-pointers. The evening's scoring was rounded after Jerrel Cooper blocked a

The last game of the year found the Ramblers losing miserably 26-0 to the Varsity. The team fought hard as they were in there fighting every minute of the contest.

Jerrel Cooper

Fullback Jim Eitze is shown going over for 6 of 11 points scored against San Rafael in the Big Game, while Duk Rush (12) keeps his eye on scat-back Bill Fink of the Bulldogs just in case.

Bill Hillebrand looks like he's in quite a bit of trouble here in the second quarter of the Vallejo game. The Indians lost to their northern neighbors by the slim score of 18-14 although they put on a last minute rally which just about turned the tide.

## Football

Looks as though the ball carrier, Tam's student body proxy, is just about down and out for the count, but his blockers, Bob Boodin (40), and Jim Bennison (18), enabled him to go all the way for a score.

While Bill Hillebrand's taking care of one of Vallejo's fleet ball carriers, Matt Hazeltine is shown in the background getting himself tripped over by one of the officials. Vallejo with its speedy, wide end runs won on to take the contest by the slim score of 18-14.

## Snaps

In the Piedmont battle, the Indians were out for revenge because of their defeat at the hands of the Grizzlies in 1949. This is Bill Hillebrand taking a little of that revenge during the climax of the contest.

In the Indians first league game with Santa Rosa here's Bill Hillebrand showing the running form that made him the most valuable backfield player of the N.B.L. Bill made a gain of about 30 yards on this play.

## Cross Country

Kerry Fitzgerald

Tam's newly formed cross-country team went through the season with only two losses, as against six wins. In achieving this fine record, Coach Benny's runners had to beat the finest that San Francisco and the Bay Area could offer.

The climax of the year came on December 8 when the city champions, Lowell, and Tamalpais met in Golden Gate Park. Lowell had earlier in the season beaten the Indians 18-37, and the dopsters had picked the highly improved Indians to be a close second. It was close all the way, and only the superb running of Kerry Fitzgerald, Lynn Ludlow, Ray Lewis, Carl Rissman and Conrad Ludlow gave the Indians a one-point 27-28 victory.

For those of you who have forgotten, or never knew, here is how the unorthodox scoring is done

in cross country. The first man to cross the finish line receives one point, the second man gets two and so on. Then by adding the first five numbers, or places, from each team you obtain the score. The team with the LOWEST score wins.

Standout preformer of the team was Capt Kerry Fitzgerald, who set the seasons record of 9.54 in Golden Gate Park. Other boys who were prominent in the Indian victories were Ron Lewis, and Rick Baldwin. It would be very interesting indeed if the NBL were to start cross-country running. The sport itself is not one of individuality, but without five good men no team is going to win. Possibly very soon in the future there will be more NBL activity in sports of this type.

## Fall Tennis

The tennis team completed an excellent season under the able coaching of coach Clarence Jones, taking the North Bay League Championship with no losses for both seasons.

In the fall, the team was led by captain Rudy Sieker. The netsters played six matches, four league and two practice. In the practice matches, Napa was taken 5-0 as was San Rafael by the same score. In league play, Petaluma, Santa Rosa, and Napa all met defeat by scores of 4-1. The last match of the fall season was played against San Rafael, which tasted defeat 5-0.

Mike McCone held down the first singles position, Jerry Long, the second, and LeVent Yeager, the third. The first doubles team was composed of Milton Haine and Rudy Sieker; the second, of Dave Zec and Leigh Clark.

In the spring season, thirteen matches were played, all won, and the racket swingers were again crowned League champs. A double-round-robin schedule was followed in league play. The team also played three practice matches. In the practice matches, Santa Rosa 6-0, and Colma 11-2. In league play, Santa Rosa 6-0, and Saint Ignatius 6-1. In League play Santa Rosa 4-1, 4-1, and San Rafael 3-2, 4-1.

Comprising the spring team were: Mike McCone, first singles; LeVent Yeager, second singles, and Leigh Clark, third singles. The first doubles team was composed of Jerry Long and Milton Haine and the second of some combination of the following three players: Bruce Rossman, Nick Fittinghoff, or Mike Stefani. The first three singles finished the season undefeated. Mike McCone won the first title of his career in the spring and represented the North Bay League in the North Coast Section. Jerry Long and Milton Haine took the N.B.L. championship in the first doubles for the spring and also represented the league in the N.C.S.

## 'C' Basketball Team

Billy Thomas

The little Indians, although having a not too successful practice season, finally came out in the open and won the C championship for the second straight season. During the early part of the season, the "C's" won only 1 of their 7 practice encounters. Coach George Gustafson really had his work cut out for him as he had only two returning veterans from the 1949 championship team. They were Billy Thomas and Alvin Moss, both of whom played great basketball and aided the C's in grabbing their second straight championship. Alvin M. who tied last year's captain Jerry Davis's record of 19 points in a single game and broke his seasonal record of 55 points with 56 for the 4 league games was probably the biggest headache that any opposing coach ever had. Coach Gustafson usually

went with the starting lineup of Harry Abras, Otis Gaines at forwards; Alvin Moss at center; Robert Yim, Ross Gausson, Earl White, Jerry Kuskie, Eddie McGillicuddy.

For the D's, which were coached by George Hall and Chuck Grasso, it was a different story. They played a very successful season and won the D championship. Their starting lineup consisted of Willie Times, Dick Walenta, Leslie Crawford, and John Tracy at center; Paul Schinger, Ken Homen, and Gerald Kuskie at forward; and Harry Abras, Otis Gaines, and Alvin Moss at guard.

## '50-'51 Varsity Hoopsters

The Tiro basketball team, which played in the league, went through a very successful season. The Indians' almost perfect 5-1 record was broken only by the 8-5 loss they suffered at the hands of the Vallejo Apaches.

Playing in what many call, "One of the strongest leagues in northern California," the Indians were a fair contender for the championship. The team's star players were Captain Floyd White, John Hendricks, George Hall, and Tor Hansen. The Indians played their finest game of the season in the first game of the season, a 10-0 victory over the Apaches.

Right from the start of the season it was conceded, by many, that Vallejo would take the league—and without any trouble. Whereas the Indians were defeating their NBL rivals by only 1 to 15 points, the Apaches didn't know the meaning of winning by less than 20; that is till they met Tam.

The Indians started the season on a good note by decisively beating off the Santa Rosa Panthers 50-43. The Panther contest was much closer than the score would indicate, as Santa Rosa's George Giester started a one-man attack rolling in the fourth quarter. Only an air-tight defense, set up in the

# Varsity Basketball

final minutes, kept the Indian victory from being a loss.

The Petaluma game was hardly a workout for Coach Gus's charges, as his first three strings won 37-27 over a "rugged" Trojan team. The Anady Tigers also fell victim to the Indians' sharp hatchet, as Tam won 53-44.

Napa, with their standout Mel Boybosa, almost ruined the works in a too-close 35-34 heart-tearer. With Boybosa getting the re-bounds and Jim Thompson hitting the bucket, the Napanese almost pulled the upset of the season.

In the traditional Big Game, the Indians left little to be decided when they whacked the Bulldogs 48-31. Then of course the axe fell in the Vallejo game which Tam lost 56-53.

The league fathers had little trouble picking the annual All-Stars for their mythical dream

team. In one forward position it was Jim Davis of Vallejo. (It was mainly the fine eye and rebound work of Davis that beat Tam.) Holding down the other forward slot was Floyd White of the Indians. At center, and a unanimous choice, was Vallejo's all-everything—Jack Von Morgan. The guards, were Tam's George Hall and Santa Rosa's Ron Morgan.

Heading the list of the team's scorers was Floyd White with a commandable 359 points, or a 15.6 pt. season average. Following Floyd in the

## 'B' Basketball

Coach Jack Baat's 'B' basketballers finished a fair cage season with an even record of 8 wins and 8 losses, but the Paposses outscored their opponents with a total of 507 points to the 487 digits scored against them.

The Tam team tied for third place in their six team league with two wins and three losses. In league debut, the lil' Injuns dropped a low scoring affair, 24-19, to Santa Rosa on the Panthers court. The Baatmen then bounced back to defeat a good Anady squad, 38-25, and on the following Friday traveled to Petaluma to edge the league leading Trojans, 33-29, paced by Jerry Davis' 14 point outburst.

In the big-little game against San Rafael, the Bulldogs pulled to a commanding half time lead and went on to win easily, 35-30. Big Tom Beyers from the Bulldog team was too much for the Tamites as he potted 15 points from his pivot position, while Davis and Gene McGillicuddy scored 14 and 10 points respectively for the Red & Blue.

Next came the Vallejo game and all the Tam boys were out to upset the league leaders. Tam held a slim 18-16 half time lead and still they were ahead by one point, 25-24, at the end of the third quarter. As the final buzzer sounded it was all tied up at 30-30, and a championship was to be decided during the overtime. The Apaches are now wearing gold balls.

Leading the Lightweight scoring was deadly Jerry Davis with 147 points and a 9.2 game average, followed closely by Gene McGillicuddy with 110 points and a 6.7 average. Rounding out the usual starting lineup were John Hurt, 63 points, Leevorn Suggs, 40 points and Claude Johnston, 39 points. Other boys who saw a lot of action were Rudy Sicker, Gary Green, Roy Petri, Alan Anderson, Whitey MacWilliams and Gene Cramer.

## Frosh-Soph Basketball

Dick Forster

Tamalpais Frosh-Soph basketball team made its second season under Coach George Corson a successful one, winding up with a ten-win five-loss record, including two victories over the rivals from across county, the San Rafael Bulldogs.

Coach Corson's 1951 edition started the season as if it was going to duplicate the 1950 team's feat of going undefeated, a rarity in basketball, by copping the first four games. In the fifth game of the season, though, they ran up against a sharp-shooting quintet from Washington High, which

after a first defeat to cop six out of the remaining ten games.

Coach Corson's boys showed that they had plenty of grit and fighting spirit, turning what had appeared to be certain defeat into a victory. In the Lowell game the boys showed that the team's fighting spirit will probably never be broken.

The team's top scorer was center Walt Langford. Campbell garnered 169 points over the 14-game schedule to top all scorers, while Langford was a close second with 132.

Special mention is due to guard and playmaker Joe Harvey. Joe played very good ball all season and was the steadying influence

Push'm Up Poochie White (26) goes high in the air on one of his specialty shots during the Tam-San Rafael game. Looking for all the world like a figure skater is George Hall (35) in the background.

## Basketball

Snarling Mel Boybosa, of Napa, (26) does an authentic two-step to avoid hitting Floyd White (25) who has just taken a rebound off the backboards. The game, which was held on the Tam courts, saw the Indians winning 35-34.

Ballet at its best was brought forth by this versatile duo during the Tam-Napa contest. Out of sight but going into the basket, is the ball that towering Tor Hansen has just fired with a hook-shot. Coming up for a possible rebound is Indian forward John Hendricks (30).

## Snaps

It's that man again! Floyd White kangaroos above the Anahy opposition for a neat two points. Flexing his muscles is Anahy's Dick Ament (22) while Tor (the profile) Hansen (34) does a serious fake.

One of the rare times that Anahy rooters had a chance to yell was when Dick Ament (22) sank one for the hapless Tigers. Tam won 53-34. Having no chance to rebound was Scott Jones (6) and an unidentified player.

## Varsity Baseball

The Tam Indians, with 3 games still left to play before they conclude their season.

Up to this date the team has played a total of 23 games. 14 of these have been practice and 9 have been in league competition. The practice season ended up with a 5 won, 6 lost, and 1 tie record. The Indians opened their season by traveling to San Francisco and dropping a 5-1 contest to George Washington. The team then downed Lincoln in the initial game at the Mill Valley diamond, 4-1. With little practice because of rain, the Indians met and decisoned Lowell, 5-1. Tam lost its second encounter with Washington by the

## Reserve Baseball

Ray Albertini

The suprisingly strong reserve baseballers completed an average season with 7 wins, 8 losses and 1 tie, under the eagle eye of Coach Ed Nordstrom. The team played all San Francisco games in their 16 game schedule with the exception of a split series against the

After winning three out of their first four outings, the Tam nine went on the road and lost four straight games to Alhambra, Marina Jr. High, Sacred Heart, and Gahleo. They then tied Washington, 7-7 and split a series with San Rafael and Sacred Heart, winning the

series, however, the final game was a hard fought, closely contested, and ultimately disputed, to the Bulldogs, 8-6.

The team's starting lineup consisted of Ken Homen at pitcher, Carl Lundquist at catcher, Ray Albertini at first base, Bob Aune in left field, Bob Ramponi in center field, Walt Langford at right field, and Ed Nordstrom as manager. Other boys who played a vital role in relief were Lundquist behind the plate, Campbell at first, and Miller in the outfield.

The purpose of the reserve baseball team is to prepare the boys, mostly lower classmen, for varsity competition. Because the reserve's season closed early, many of the boys aided in important relief roles.

"Butch" Hallinan

Under the able coaching of Paul Daly, both Varsity and Lightweight teams can boast of a highly successful season, climaxed by the winning of the N. B. L. pennants in both divisions. The varsity, out of a scheduled 12 meets, lost but three to such powerful teams as Berkeley, Lowell, and the California Freshmen. For the first time [unclear] the noted Olympic team of San Francisco bowed to [unclear] by Tam, 45 to 29.

Indian swimmers for the varsity were: Roger Muldavin, who swam the 50 and 100 freestyle, and anchored the

200-yd. relay. He saved the relay and the team in sensational wins more than once. Closely following him were speedy freestylers Warren McGowan and Bill Cole. Fred Kett, rated amongst the best in Northern California, swam the 100-yd. breaststroke and was close to being undefeated, pushed constantly by Charles Dickens, who nabbed the seconds.

The 100-yd. backstroke was almost consistently won by Clark Muldavin, who was followed by veteran Jim Heltsley. Beckford Young, varsity captain, swam individual medley and either Dickens or Heltsley got seconds. Charles [unclear] M [unclear]  
 Relay was composed of Fred Kett, Clark Muldavin, and Dean Jennings, and Dan Caldwell.

On the "B" team, the outstanding swimmers were Captain Butch Hallinan tops in most anything; Ted Tyson and Tom Decker in the freestyle events; Kayo Hallinan, Ken Croker, and Loren Terzich in breaststroke; and Dick Lowe as backstroker.

## Varsity Track

Bill Maddox

Although they shaped up as one of the strongest dual meet teams in the league, the thinclads found tough sledding in the larger events, particularly in the sub-league and NBL finals. No brilliant individual stars, and lack of enough strong trackmen to make up the difference was the principal cause for their losses.

The team was well balanced, and established a good dual meet record being undefeated in league competition. They dropped two two-way meets, their first one to Richmond, eventual ACAL champs, the other to

Tam's College of Marin alumni, 59-54.

Then in rapid succession, they disposed of Napa, 65-38; Petaluma, 68-35; and Vallejo, 68 $\frac{3}{4}$ -44 $\frac{1}{4}$ .

At the sub-league meet, which was held at Tam, Vallejo squeezed by the Indians, 50 $\frac{1}{2}$  to 49 $\frac{3}{4}$ . Tam qualified twelve athletics for the league meet, with the exception of the high jumper, Jim Glessner, high-jumper, were injured in an automobile accident.

With Tam taking two firsts, co-captain Bill Maddox in the century, and co-captain Bill Kramer in the 100-yard dash. Tam's first victory was over Vallejo, 49-47 in the sub-NCS meet. Tam's only loss was to Santa Rosa, 50-47, and to Vallejo by three points.

Those who placed in the sub-NCS and the NBL meets were: Bill Maddox, Bill Kramer, Bill Baker, Larry Shipton, and Bill Whidden.

## 'B' and 'C' Track

Benny Randolph

The 'B' tracksters had a fairly successful season, although they were severely handicapped at the outset by the loss of most of their '50 champs to the varsity. The team was characterized by hard-working trackmen, with a definite lack of flashy stars.

Although a green team, the 'B's' won most of their dual meets, losing only to Richmond and Petaluma. They reached the peak of their performance in the

league meet at Tam, but fell behind

They also swept through the sub-league meet at Tam, but fell behind

Santa Rosa's superior experience in the league meet, bringing home the second place pennant.

Among the men that improved consistently during the season were co-captain Alan Anderson, in the 660, and Willy Woods, in the pole vault. Tony Bailey, sprinter, would have placed far better in the league had it not been for Martin Morales, a Vallejo record-breaker.

The 1320 saw every week a different winner. Paul Chastain, Ron Lewis, and David (Anonymous) Jones never finished in the same order, and one never beat the other more than twice in a row.

Consistent scorers were Earl White, Fred Funk, Ed Brown, Bill Stiveson, Charlie Hong, Al Cannon, Conrad Ludlow, Bill Shotwell, Richard Andino, and Steve Harper.
